

JONATHAN EDWARD DURHAM

BIOGRAPHY

Jonathan Edward Durham was born near Philadelphia in one of many satellite rust-belt communities where he read voraciously throughout his youth. After attending William & Mary, where he received a degree in neuroscience, Jonathan waded into the professional world before deciding he was better suited for more artistic pursuits.

He now lives in California with his partner where he writes to bring a unique voice to the space between the timeless wonder of his favorite childhood stories and the pop sensibilities of his adolescent literary indulgences. His debut novel, *Winterset Hollow*, blooms around that same impetus and is available everywhere September of 2021.
